ABOUT ME

Dedicated and innovative Full Stack Web Developer skilled in PHP, Laravel, MySQL, HTML, CSS, JavaScript, and . Experienced in building dynamic, responsive web applications with a focus on backend integration, frontend development, and database management. Passionate about creating scalable, secure, and high-performance applications that deliver exceptional user experiences.

WORK EXPERIENCE

NEARLOOK MART PVT LTD - FULLSTACK DEVELOPER

- Designed and developed responsive user interfaces using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-device compatibility and seamless UX.

- Developed scalable backend solutions using PHP and MySQL, ensuring smooth integration with frontend components and maintaining strong application reliability.

- Integrated secure payment gateways and automated critical operations, streamlining transaction workflows and minimizing manual dependencies.

PROJECTS

HTML | CSS | JS | BOOTSTARP | PHP | LARAVEL

- ValluvanAgro (E-commerce Website) Developed a responsive platform to sell agricultural products, including seeder machines, helping farmers plant efficiently with reduced seed wastage.

- Office Management: Implemented modules for employee management, client tracking, invoice generation, and expense tracking

- Palazzo E-commerce Website: Developed a full-stack e-commerce website with product listings, cart, checkout, Razorpay payment integration, and an admin panel for product and order management.
